

INTERN'S COMPREHENSIVE EVALUATION

(Due at the end of the assignment or March 15 if you are doing your internship over 2 years)

Date Submitted _____

Name _____

Name of Supervisor _____

Internship Placement _____

Preparation and Orientation

Do you feel your preparation/orientation for the internship assignment was adequate:

a. By the Director of Service Learning Yes No Somewhat

b. By the Supervisor Yes No Somewhat

Activities and Experiences

Summarize three activities/experiences you were involved in during the internship assignment. (include lessons learned, reflections, struggles, and accomplishments).

1.

2.

3.

Discuss one high point of your internship experience.

What was the greatest struggle you had in your internship experience?

What do you feel was the main contribution you made in your internship assignment?

What did you learn about communicating the gospel and biblical truth within your internship context?

What physical, social, emotional or spiritual needs did you encounter in the lives of the people to whom you ministered?

What natural abilities and spiritual gifts were either revealed to you, or stretched during this time?

What personal weaknesses and concerns arose from the internship assignment?

Circle those things that you encountered personally in your internship assignment:

major disappointment

illness

anxiety

frustration

lack of accountability

impatience

difficulty adjusting

relational conflicts

significant accomplishment

new vocational direction

notable spiritual growth/insight

significant lessons learned

enthusiasm in accomplishing tasks

Other:

Relationships

Circle the words that best describe your Supervisor's relationship with you:

confrontive	supportive	authoritarian	closed
distant	encouraging	evaluative	directive
friendly	strained	nurturing	informative
challenging	indifferent	over-protective	trusting

Evaluate, in your own words, the relationship with your Supervisor during the internship assignment.

What do you feel are your supervisor's strengths?

In what ways might your supervisor have provided more assistance for you?

Evaluate your relationship with co-workers.

What did you learn from those to whom and with whom you worked?

Review the following **Course Objectives** as outlined in the **Internship Syllabus**:

By completing the internship assignment, the student should have been able to:

1. Explore and enhance one's skills, strengths and potential.
2. Evaluate one's personality traits and lifestyle as they affect your personal growth & ministry.
3. Assess one's value system and assumptions about life, people, and ministry.
4. Integrate one's theological knowledge and understanding with practical experience.
5. Enhance one's ability to relate to people, situations and programs.
6. Examine potential vocational directions relating to the internship assignment.
7. Develop a spirit of interdependence and cooperation with one's supervisor & fellow-workers.
8. Experience personal and spiritual growth in one's life and ministry.

Were you able to achieve these objectives. ___ Yes ___ No ___ In Part

If yes, select three of the objectives and explain how they were achieved through your internship assignment.

1.

2.

3.

If certain objectives were not achieved, briefly explain what issues prevented you from achieving the particular objective.

Summary Statements

Describe in general terms your overall view of your internship assignment.

When I looked back through my journal:

I was surprised to see . . .

I wondered . . .

I learned . . .

I felt . . .

I struggled with . . .

One question I'm taking away to think more about is . . .

What progress have you made in terms of meeting your personal goals established at the beginning of the internship assignment?

Is there any sense that God is calling you into a definite ministry within the framework of your internship experience? Explain:

Were there opportunities in your internship assignment to integrate knowledge and skills acquired in the classroom with experiences in the field?

What would you change if you could do anything over (ie. preparation/orientation, activities/experiences)?

Is there anything in the internship program that you feel should be improved (procedures, requirements, reports)?

Would you like to see another intern do his/her internship at your internship placement in the future? Explain.
