

COLUMBIA BIBLE COLLEGE
Urban Mission Dynamic Leader Agreement

The vision of Urban Mission Dynamic (UMD) is to expose CBC students to diverse urban ministry in a safe and challenging learning environment. We seek to give students a vision for local ministry, to debunk inaccurate stereotypes of marginalized people and to give God an opportunity to intersect their hearts and minds for future Kingdom living.

UMD leaders have the unique opportunity to provide spiritual leadership with CBC students in a "greenhouse" environment; to set the stage for faith development, to create thoughtful conversations, to minister in step with the Holy Spirit and to create a memorable stepping stone for students as they enter their own adult faith journey.

UMD Leaders are required to provide insight into and facilitate kingdom conversations about issues such as gentrification, poverty, indigenous culture, substance addiction, foster care, urban church engagement and church planting efforts.
