INDEPENDENT AUDITORS' REPORT

To the Members of Columbia Bible College

Report on the Financial Statements

We have audited the accompanying financial statements of Columbia Bible College (the "College") which comprise the statement of financial position as at April 30, 2015, the statements of operations and changes in net assets and cash flows for the year then ended, and notes comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the College's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the College's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion the financial statements present fairly, in all material respects, the financial position of the College as at April 30, 2015, and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Other Legal Regulatory Requirements

As required by the Society Act (British Columbia), we report that, in our opinion, the accounting policies applied in preparing and presenting the financial statements in accordance with Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of the College taken as a whole. The supplementary information included in the Schedules is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

COLUMBIA BIBLE COLLEGE

Notes to Financial Statements

Year ended April 30, 2015

General:

Columbia Bible College (the "College") is incorporated under the Society Act (British Columbia). The College provides post-secondary education, including Bachelor of Arts degrees, Diplomas, and Certificates to students drawn from Canada and other parts of the world.

The College is a registered charity under the Income Tax Act and accordingly is exempt from income taxes under Paragraph 149(1)(l) of the Income Tax Act.

1. Significant accounting policies:

Basis of presentation:

The financial statements have been prepared by management in accordance with the Canadian accounting standards for not-for-profit organizations. The significant accounting policies are as follows:

(a) Revenue recognition:

The College follows the deferral method of accounting for revenue recognition. Externally restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Contributions restricted for the purchase of capital assets are deferred and amortized into revenue at a rate corresponding with the amortization rate for the related capital assets. Unrestricted contributions and pledges are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Endowment contributions are recognized as direct increases in endowment net assets.

Restricted investment income is deferred and recognized as revenue in the year in which the related expenses are recognized. Unrestricted investment income is recognized as revenue when earned.

Operating subsidies are recognized as revenue when received.

Course fees and ancillary revenues are recognized as revenue when earned.

A substantial number of volunteers contribute a significant amount of their time each year. Due to the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

Gifts-in-kind ("GIK") are valued at their estimated fair value at their time of contribution when a fair value can be determined and the College would otherwise have purchased the items.

(b) Inventory:

Inventory, consisting of food, bookstore merchandise, office and general supplies, is recorded at the lower of actual cost and replacement cost.

1. Significant accounting policies (continued):

(c) Capital assets:

Purchased capital assets are recorded at cost. Contributed capital assets are recorded at fair value at the date of contribution. Betterments which extend the estimated life of an asset are capitalized. When a capital asset no longer contributes to the College's ability to provide services, its carrying amount is written down to its residual value, if any.

Capital assets are amortized on a straight-line basis using the following annual rates:

Buildings and improvements	40 years
Furniture, equipment and vehicles	5 years

(d) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Significant items subject to such estimates and assumptions include the carrying amount of capital assets, accrued liabilities, and accrued holiday pay. Actual results could differ from those estimates.

(e) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Freestanding derivative instruments that are not in a qualifying hedging relationship and equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The College has elected to carry investments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the College determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the College expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future year, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

2. Cash:

The College has a credit facility with the HSBC Bank of Canada for \$375,000 bearing interest at prime plus 0.5%. As at April 30, 2015 (2014 - \$nil) there was no amount drawn on this facility.

3. Restricted assets:

Restricted assets are segregated and held for the purpose of funding the following obligations:

	2015	2014
Deferred operating contributions	\$ 1,156,035	\$ 1,537,820
Scholarship endowment principal	949,860	786,518

9. Related parties:

During the year, the College received subsidies from the Mennonite Church BC (MCBC) and the B.C. Conference of Mennonite Brethren Churches (BCMBC) as follows:

	MCBC	BCMBC	2015 Total	MCBC	BCMBC	2014 Total
Operating subsidies	\$ 120,525	\$ 373,240	\$ 493,765	\$ 120,000	\$ 349,198	\$ 469,198

MCBC and BCMBC are related parties by virtue of their ability to elect members to the College's Board. Future operations of the College depend upon the continued support of the MCBC and BCMBC.

10. Internally restricted:

On an annual basis, the Board of Directors will internally restrict up to 2.5% of operating revenues as a capital reserve. These internally restricted funds are not available for other purposes without the approval of the Board of Directors. For the year ended April 30, 2015, the Board approved an additional allocation of \$49,763 to make up for the previous year's shortfall.

	2015	2014
Balance, beginning of the year	\$ 247,625	\$ 177,338
Annual allocation	120,000	70,287
Permitted expenditures	(80,000)	-
Additional allocation	49,763	-
Balance, end of year	\$ 337,388	\$ 247,625

11. Commitments:

The College is committed to minimum annual lease payments under various photocopier leases as follows:

2016	\$ 20,980
------	-----------

12. Contingencies:

The College has one bank guarantee in the amount of \$5,000 (2014 - two bank guarantees totalling \$6,398) issued to the City of Abbotsford for development purposes.

Year ended April 30, 2015

13. Comparative figures:

Certain comparative figures have been reclassified to conform with the financial statement presentation adopted in the current year.

14. Financial risks and concentration of risk:

(a) Liquidity risk:

Liquidity risk is the risk that the College will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The College manages its liquidity risk by monitoring its operating requirements. The College prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. There has been no change to the risk exposures from 2014.

(b) Credit risk:

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss. Management does not believe there is a significant credit risk. The College monitors on a regular basis the credit risk to which the College is exposed in relation to its financial assets and takes steps to minimize the risk of loss.

(c) Investment risk:

The College manages its investment portfolio to earn investment income and invests according to an Investment Policy Statement approved by the Board. The College is not involved in any hedging relationships through its operations and does not hold or use any derivative financial instruments for trading purposes.

The College manages interest-rate risk, market, credit and cash flow risk from its investments by investing in a diversified portfolio.

Additionally, the College believes it is not exposed to significant liquidity risk as all investments are held in pooled fund instruments that are highly liquid.
